<b>Period</b> <b>07.11.2012 – 31.03.2014</b> <b>Job title or position held</b> <b>Director Mentenanta</b> <b>Main activities and responsibilities</b> Organization, coordination and control of the maintenance activity related to the transport system, coordinating over 250 employees. 1 Engineer-in-chief, 8 heads of services and 2 heads of bureaus respond directly to me. The activity is complex covering various areas, namely mechanical, energy, automation, SCADA, telecommunications, pipeline repair, road transport, rail maintenance (locomotive, railway tank, rail lines). Moreover, I am liable for the pursuit and achievement of the investment programs (approx. 62 million Lei) of the company's capital and current repair programs. I respond directly to the General Director whom I'm offering my advice on the technical issues. Under my delegation, I represent the company (locally and oversees) in relation with the authorities, clients, suppliers, or other entities.  <b>Employer's Name and Address</b> S.C. CONPET S.A. - No. 1-3, Anul 1848 Street, Ploiesti <b>Activity type or Area</b> Crude oil, rich gas and liquid ethane transport through pipelines			

Period	<b>10.04.2009 - 07.11.2012</b>
Job title or position held	<b>Maintenance - Development Director</b>
Main activities and responsibilities	<p>Organization, coordination and control of the Maintenance - Development Direction; the maintenance activity is being carried out in the area by way of four maintenance centers and 15 sectors, coordinating over 550 employees</p> <p>Provision of technical advice to the General Director</p> <p>Cooperation with all company's organizational entities</p> <p>Some of the notable achievements of the time: completion of the works at SCADA Central Dispatch, obtaining the BRML certificates for the 27 crude oil fiscal measuring systems, implementation of the ERP type integrated IT system, the recertification, by Germanischer Lloyd, of the Integrated Management System, Health and Occupational Safety (OHSAS 18001), Environment (ISO 14001) and Quality (ISO 9001)</p>
Employer's Name and Address	S.C. CONPET S.A. – No. 1-3, Anul 1848 Street, Ploiesti
Activity type or Area	National Crude oil, rich gas and liquid ethane pipeline transport
Period	<b>01.08.2007 - 09.04.2009</b>
Job title or position held	<b>Technical Director</b>
Main activities and responsibilities	<p>Organization, coordination and control of the business of the Technical Direction of the company, targeting to enhance safety in operation of the national crude oil pipeline transport system. We have consolidated the application of a predictive-proactive maintenance system, aiming at decreasing the number of technical breakdowns, cutting maintenance costs, reduction of energy and fuels consumption. This period was characterized by intense pipeline replacement works and safe disposals of river crossings, the kilometer number of replaced pipeline increasing from 36 in 2007 to 67 in 2009. In 2009, the Investments Program amounted to 60 million Lei and the achieved works raised to 68.5 million Lei, the largest share being held by the investments in the national transport system, part of the State public domain. Approximately 70% of the company's vehicle fleet has been renewed.</p>
Employer's Name and Address	S.C. CONPET S.A. – No. 1-3, Anul 1848 Street, Ploiesti
Activity type or Area	National Crude oil, rich gas and liquid ethane pipeline transport
Period	<b>01.01.2007 - 01.08.2007</b>
Job title or position held	<b>Operations Director</b>
Main activities and responsibilities	<p>Coordinating the entire company's technical business, both the system operation and maintenance works, the subordinated number of employees exceeding 1200. Have been commissioned investments of approx. 88 million Lei, out of which, 82 million Lei in relation to the public domain. Has been implemented the Integrated Management System and obtained, for the first time, the certification thereof by Germanischer Lloyd.</p>
Employer's Name and Address	S.C. CONPET S.A. – No. 1-3, Anul 1848 Street, Ploiesti
Activity type or Area	National Crude oil, rich gas and liquid ethane pipeline transport
Period	<b>16.08.2006 - 01.01.2007</b>
Job title or position held	<b>Deputy Director General</b>
Main activities and responsibilities	<p>Organization, coordination and control of the activity of the production and maintenance directions, as well as of four territorial transport regional units served by nearly 1500 employees. The main achievements I made my contribution to were: completion of the program for the modernization of 23 pumping stations and to rail crude oil loading ramps, completion of the implementation of the SCADA automated command and measuring system (achieved with ABB company from Germany), commissioning of the own telecommunications system (achieved with TELVENT company from Spain), all the components of the National Transport System Rehabilitation Project, partially financed by the World Bank, a project amounting to over 120 million USD.</p>
Employer's Name and Address	S.C. CONPET S.A. - No. 1-3, Anul 1848 Street, Ploiesti
Activity type or Area	National Crude oil, rich gas and liquid ethane pipeline transport
Period	<b>21.06.2005 - 15.08.2006</b>

Job title or position held	<b>Commercial Director</b>
Main activities and responsibilities	Organization and coordination of the company's trade and public procurement activity. Participation to the elaboration of the Frame Contract on the crude oil transport, approved by NAMR (National Agency for Mineral Resources), at the negotiation and conclusion of the transport contracts with OMV, LUKOIL, ROMPETROL, RAFO Onesti. Provision of the observance of the public procurement legislation and transparent deployment of the specific procedures, taking part to all tender committees for the awarding various services or works contracts.
Employer's Name and Address	S.C. CONPET S.A. - No. 1-3, Anul 1848 Street, Ploiesti
Activity type or Area	National Crude oil, rich gas and liquid ethane pipeline transport
Period	<b>03.05.2004 - 20.06.2005</b>
