Technical drawing of a rectangular plate. The drawing includes a main view and a side view. The main view shows a rectangle with a width of 800 and a height of 400. The width is divided into three sections: 70, 660, and 70. The height is divided into three sections: 70, 260, and 70. There are four circular holes, each with a diameter of $\varnothing 18$, located at the corners. The top-left hole is specifically labeled with $\varnothing 18$. The side view shows the thickness of the plate, which is 10. The scale is indicated as 'scala 1:10'.

Technical drawing showing the geometry of a semi-circular arch and its rectangular cross-section. The arch has a radius of $\varnothing 528$ mm and a thickness of 10 mm. The cross-section is a rectangle with a width of 400 mm and a height of 259 mm.
