(ii) 13,610,961 new shares in amount of 44,916,171.30 RON that will be offered, within the exercise of the preemption right, for subscription in exchange of the contribution in kind of the Romanian State to the other CONPET shareholders, namely to the persons entitled as shareholder at the registration date, in view of maintaining the shareholding held within CONPET at the registration date.

CONPET shareholders will be able to exercise the preemption rights within maximum one-month time as of the date mentioned in the prospectus, date subsequent to the registration date and the publishing date of the resolution of the Extraordinary General Meeting of Shareholders in the Official Gazette of Romania, Part IV, namely they will be entitled to subscribe a number of shares proportional to the number of shares held at the registration date.

The new shares will be offered for subscription at the nominal values, namely 3.3 RON/share without share premium.

The subscription rate will be of 3.808161 determined by the ration between the maximum number of new shares issued for the exercising of the preemption right (32,969,260 shares) and the total number of shares held by the shareholders in the existing share capital (8,567,528 shares).

Therefore, each shareholder recorded at the registration date may subscribe to each held share 3.808161 newly issued shares.

The due number of new shares that can be subscribed based on the preemption rights held is being calculated by multiplication of the subscription Rate (3.808161) by the number of held shares and the result, in case it's not an integer, will be rounded down to the closest integer.

At the expiry of the term of exercising of the preemption rights all the unsubscribed shares will be annulled.
