**the English version of the Current Report no. 16/13.04.2023**

The company CONPET S.A. informs the shareholders and investors that, due to a regrettable error, in the English version of the Current Report no.16, sent to the Bucharest Stock Exchange and to the Financial Supervisory Authority on 13.04.2023, the following mistake occurred under the heading "**Contract No.**"

It has been translated "Contract for the transport of **imported** crude oil no. BC LKT 47/2023" instead of "Contract for the transport of **domestic** crude oil no. BC LKT 47/2023" as it was written in the Romanian version of the report.
